I wish to rent the instrument checked below. I understand that I have the choice of returning the instrument at the end of the initial rental period, or renewing the rental on a month to month basis. Rental fees are payable in advance and are not refundable. I further understand that I have the option of applying payments, less LDT & Tax, to the purchase price of the instrument (refer to back for details). This agreement may be terminated by returning the instrument directly to Windsor Music and paying and outstanding charges. Past due accounts are subject to a late charge of \$10.00 per month. Your school is not involved in this agreement and instruments returned there, without proper authorizations, remain the liability of the lessee in case of theft, fire or damage.
